

FIG 1

This cross-sectional view shows a mechanical assembly. At the top, a component 12 is shown with a stepped profile, featuring a top surface 16, a side surface 24, and a bottom surface 34. A small feature 34' is also indicated. A component 100 is shown on the right side of the top assembly. Below this, a large horizontal component 92 is shown, with a top surface 96. A central circular component 46 is shown, surrounded by a series of horizontal lines 68. A component 14 is shown below the circular component, with a top surface 60 and a side surface 64. A component 62 is shown on the right side of the central assembly, with a top surface 66. A component 28 is shown on the left side of the central assembly, with a top surface 26. A component 50 is shown at the bottom, with a top surface 80. A component 50 is also shown at the very bottom of the assembly.
